Notes:

1. Statutory Fees are set by the General Synod of the Church of England under the authority of Parliament. The St. James Parochial Church Council sets the local fees and extras.
2. The Vicar's Fee is not paid to the Vicar but reduces the amount the PCC pays to the Diocese in respect of ministry. Where a retired minister takes the service the Vicar's Fee is payable to the minister.
3. The pianist fee applies where a member of St James plays. If an external musician is required their fee may be different.
4. The projection equipment is available but the images and/or music and text must be suitable for a Christian place of worship and must be approved by the Vicar or person leading the service.
