## Notes:

1. Statutory Fees are set by the General Synod of the Church of England under the authority of Parliament. The St. James Parochial Church Council sets the local fees and extras.
2. This fee is paid to the DBF but reduces the amount paid by the Parish in respect of ministry. A retired minister taking the service receives part of the fee.
3. The pianist fee applies where a member of St James plays. If an external musician is required their fee may be different.
4. The projection equipment is available but the images and/or music and text must be suitable for a Christian place of worship and must approved by the Vicar or person leading the service.
