1. The fees will be those that are in force for the year in which the wedding takes place. Therefore, they may be different to those above if the wedding is not taking place in the year shown at the top.
2. Statutory Fees are set by the General Synod of the Church of England under the authority of Parliament. The St. James Parochial Church Council sets the local fees and extras.
3. The fee **for reading Banns** and issuing a certificate when a wedding is taking place elsewhere is £48.
4. The pianist fee applies where a member of St James plays. If an external musician is required their fee may be different.
5. In order to video the service a licence is also required, this is explained further in the Weddings Brochure.
